GLOBAL SERVICES

Our brand is recognised globally for it's **DURABILITY**, timeless appeal and climate resistance. We have satisfied clientele base not only In India but also in Seychelles, Mauritius, Maldives and Sri Lanka.

PRE DELIVERY INSPECTION

Our PDI team inspects your site thoroughly, and identifies even the smallest snag to be corrected. A PDI REPORT of corrections is generated and given. It is only after the rectification is made by the client, that our Installation process commences at site.

NO MIDDLE MEN

All woodwork processing is done in our own factory hence eliminating the need for middlemen - NO Design charges, NO hidden brokerage (like other players). As we directly procure raw materials from the manufacturer and process it, we ensure that the quality of our products is never compromised.

PRICE CHALLENGE

Get a conceptual design and its quotation from us. Please do the COST COMPARISON exercise by getting a quotation from any of the STANDARD MANUFACTURER for similar specification given by us. You will see for yourself that, we not only offer competitive price but also No additional Markups are involved.

7 DAYS INSTALLATION

We can install a BRAND NEW MODULAR KITCHEN from scratch within just SEVEN WORKING DAYS. (Designing, Production, Design Discussion, Fungal Treatment, Quality checking and Shipment; Time taken for Civil, Electrical and Plumbing works is not included.)

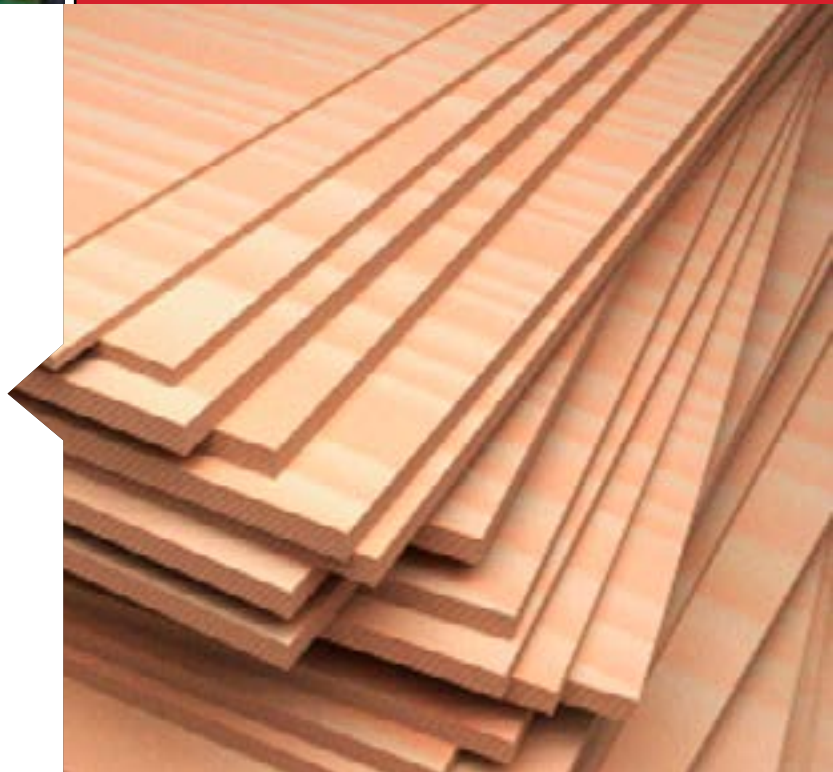

AN EYE FOR QUALITY

The finest raw materials procured from the most renowned manufacturers, ensures consistent quality & durability

ADHERENCE TO STRINGENT STANDARDS

Orbix Designs surprised me big time. We wanted a modular kitchen with superb finish and functionality. We got so much more than that. It is such a beautiful kitchen and we are so happy with it. It's just fabulous.

Mr Jaya Kanth

Super fast installation. They had a huge selection of modular kitchen designs and we had no trouble since. Very good service.

Mr Raguram

My wife and I are very particular about things and we think Orbix shares our obsession for detail and finesse. It was nice to have someone with such dedication to work for you.

Mr Prabhu

Orbix worked with us for our new modular kitchen right from the planning stage to execution. We were satisfied with the service rendered. Thanks to Orbix!

Mr Lakshmi Naarayanan

Honestly, I was only looking for quality. And I was quite surprised when Orbix delivered such a high standard in aesthetics as well...

Mr Prabhakaran

At first I did not understand what affordable design is. But through the whole experience of installing the modular kitchen, I learned what the concept is and the reason why Orbix is able to deliver such aesthetics at such prices. I am impressed.

Mr Vetrivel

Usually affordable means cheap quality. But Orbix is an exception. We love our modular kitchen.

Mr Suresh Kumar

We looked at our new modular kitchen and we were so proud of ourselves. It's all thanks to Orbix.
